

Report on Awareness Programme On Novel Corona Virus.

The department of zoology organized a seminar on Awareness programme about novel corona virus.

The invited speaker was Dr. Joseph Christian Daniel, Associate Professor and Head, department of Microbiology, St. Joseph's College of arts and science, Cuddalore, on 10.02.2020 in Dr. Abdul Kalam block.

The seminar helped the students to learn the structure of the corona virus in depth, the way it spreads, the symptoms caused, the nature of the disease, the systems affected and the preventive measures to be undertaken.

The students learnt to always remember to wash hands often, to use the masks, to avoid large crowds and to never touch the face with unclean hands.
