5. Report

UG and PG Department of Chemistry organized a webinar on Covid-19 Shenanigans on d 30th May 2020 between 3.00pm to 4.00pm. The resource person of the webinar was Dr.SunkuGuptha FRCP(London) Consultant Physician & Specialist in Movement Disorders, Peterborough City Hospital, North West Anglia NHS foundation Trust, Edith Cavell Campus, Peterborough UK. His lecture focused on symptoms of covid-19 with preventive measure and treatment employed in the different parts of the world for covid-19. He gave an insight on impact of covid-19 on humanbody and emphasis on precautionary measures to be adopted in the current scenario. The interactive session at the end of the webinar focussed on challenges post covid-19and on various modes treatment for covid-19. Around 70 participants from 8 different institutions participated and benefited from this event.
