**Attendees:** II Year Students of Department of Physics, Chemistry, Zoology  
& Mathematics

**Time:** 12.00.p.m to 1.30 pm

**Faculty coordinator:** Ms. M.Pandeeswari

**Resource Person: Dr. K. THRESHA MATHEWS**  
**Associate Professor, Department of Zoology**  
**Loyola College, Chennai-34**

The Resource person explained that gender equality is more than equal representation. She said that it is strongly tied to women rights and often requires policy and also stated the examples of gender inequality existing in the world today. She outlined the purpose of gender equality, how it is defined and how do we achieve gender equality. She also discussed the three hundred indicators used to measure it. She concluded the topic by explaining the gender equality in education.
