

A REPORT ON GENDER SENSITIZATION

A programme on Gender Sensitization was conducted on 14-08-2019 in our college premises. Dr. T.V.Sudharsan, Head of the Department of Mathematics, welcomed the gathering. Dr.N.C.Rajashree, Controller of examination, Gurunanak College, Velachery, Chennai-42 was the chief guest. Dr.K.Thirusangu, Associate Professor of Mathematics honoured the chief guest.

Dr.N.C.Rajashree spoke about the role of women in developing entrepreneurship.

She made the programme very interesting by involving both girls and boys by asking them, to demonstrate sales and advertising techniques and thereby sensitizing gender equity among men and women.

She also dealt with youth empowerment, self help group of women, a concept which change the face of grass root level and passionate about lifelong learning.

The programme was very well received by students and they were keenly involved in the programme. The programme was attended by about 190 students from the department of Mathematics, Physics, Chemistry and Zoology.

The speaker Dr.N.C.Rajashree also was very much appreciative of our students.

The programme came to an end with Vote of Thanks by Dr.A.Chithra, Head of the Department of Physics.
