## CHEMISTRY ASSOCIATION

The PG & Research Department of Chemistry steered the activities of the year with an invited talk on **Innovation in Nanochemical Technology** on 27<sup>th</sup> August, 2019. It celebrated the **International Year of Periodic Table** on 17<sup>th</sup> December, 2019 with a guest lecture delivered by Dr. S. Ezhil Christadoss, former Principal & HOD of Chemistry. **Cancer Awareness Programme** was arranged on 4<sup>th</sup> February, 2020 with Dr Mageswaran as the chief guest. The department also orchestrated an inter-collegiate lecture for I PG students on **RUSAC**. I record my sincere appreciation to Dr J. Annie Kamala Florence- HOD and the other staff members for their meticulous undertaking.
