SUMMARY OF THE EVENT

Infectious diseases are caused by pathogenic microorganisms, such as viruses, bacteria, parasites and fungi. These diseases can spread, directly or indirectly, from one person to another. Zoonotic diseases are infectious diseases of animals that can cause disease when transmitted to humans. Each year infectious diseases kill 3.5 million people, mostly the poor and young children who live in low and middle-income countries. This year coronavirus COVID-19 has affected 213 countries and territories around the world. Department of Biochemistry, Islamiah College (Autonomous) organized a Quiz programme on "Infectious diseases" from 22-05-2020 to 25-05-2020. This Programme created awareness on Infectious diseases like Novel Coronavirus (COVID-19), Severe Acute Respiratory Syndrome (SARS), Middle East respiratory syndrome (MERS), Ebola, Dengue, Pneumonia, Flu etc. and support for prevention of COVID-19. The online quiz has no registration fee. A link was given to participants in this knowledgeable event and E-certificate was issued to the winners on their email. We received vast participation from students, pharma professionals, Faculty members, Research scholars across the country. We are glad that we were successful in bringing online platform for creating awareness programme to the students and academicians regarding the topic which is the need of the hour. We appreciate our participants and look forward to their continued interest in our future events.

Total no of participants 1172.
