The patriotic enthusiasts rode as a group to celebrate 75 Years of Glorious Independence of our country. Prof. Kamal Ghanshala, Hon'ble Chairman, Graphic Era Group of Institutions, led the contingent from the start with other senior members of the academic fraternity accompanying him. Madam Rakhee Ghanshala, Senior Member of the Board, and Master Arjun Ghanshala were also front running participants. It was interesting to note the difference in age of the youngest participant, Master Arjun Ghanshala, 12 and the oldest participant Major General O. P. Soni, 70+. The event saw enthusiastic participation from all present.
