**REPORT ON GOOGLE CLASSROOM**

**DATE : 11.05.2020 TO 02.06.2020**

Due to the prolonged quarantine situation not many activities were carried out in person. In order to facilitate students digitally , they were directed to install Google Classroom app and the same was done by the faculties. Through the digital classroom, materials were provided, assignments were given and our beloved students followed everything enthusiastically. Nothing can stop teaching learning activities.
