QUIZ PROGRAMME

In order to keep the students alert and awake during lockdown period in the wake of COVID-19 Pandemic, three departments such as Zoology, Commerce and Chemistry departments , have organized quiz programme on their respective fields.

This programme is aimed at creating awareness on recent development in the particular field and keeping them updated . This is a online programme. As a student cannot assemble to take part in the event, they are asked to participate in online mode. The successful participants are given E-Certificate.
