

REPORT ON NATIONAL SEMINAR

UGC sponsored National level seminar entitled 'Current trends in physics ' was conducted on February 5th 2020 by department of physics. More than 100 participants were engaged in this program. The seminar motivated young researchers and post graduate students in the field of advance material in physics by the Eminent resources persons. The program was scheduled with the following 3 sessions

Session	Name of the resource person	Topic
1 st session	Dr.I.HUBERT JOE TRIVANDRUM	Terahertz generation and NLO studies
2 nd session	Dr.R.NAGALAKSHMI NIT TRICHY	Strongly correlated electron system
3 rd session	Dr.V.VASU MKU	Nano material for hydrogen storage

After the session participants clarified their doubts and gave positive feedbacks.
