

Expert's Talk on Indian Pharma Industry Facing Covid 19

Mr. Arpit Chadha, Honorable Vice-Chairman, I.T.S-The Education Group has a vision to make I.T.Sians be excelled in not only academics but also other fields which will help them shine in their careers. So he leaves no stone unturned to make students and faculty make use of this lockdown in a very fruitful manner by organizing interactions with industry experts, sports and arts personalities. He being a tech savvy person constantly encourages the use of technology to make this feasible even when the whole world is locked up in their homes. These vivid interactions help students to feel refreshed as well as stay updated on their subjects.

I.T.S College of Pharmacy organized a Webinar on Indian Pharma Industry Facing Covid 19 by Mr. Sandeep Soni, Managing Director, Montana Remedies, for B.Pharm/ M.Pharm students on 22nd May 2020. Dr. Sadish Kumar S., Director opened the session by welcoming everyone. Formal introduction about Mr. Sandeep Soni was given by Dr. Dinesh Puri.

His session was interesting and laced with practical knowledge. He said that there are golden opportunities for Pharma profession during and after Covid-19. He explained the scope of Pharma industry in current market situation and also emphasized that this field always has growth in both adverse and pandemic conditions so there is nothing to fret about future career opportunities of Pharma graduates.

He suggested the various entrepreneurship areas for Pharma graduates and post graduates. He also threw light on the contribution of Indian Pharma market in current Covid situation and also highlighted that after this pandemic, India may become an important manufacturing hub of generic, API and other Pharma products, which will in turn provide golden opportunity to all Pharma background professionals. He concluded by saying that we should adopt new conditions, improve immunity by doing Yoga and physical exercises and most importantly have positive attitude to stay strong in adverse conditions.

The question hour was very interactive. All the queries raised by the participants were answered by the expert. The expert made sure that all the participants left the session with no doubts lingering in their minds. The session was formally concluded on a thankful and appreciation note by Dr. Sadish. The session was attended by 70 students and faculty members.
