“Let’s Speak Our Heart Out” A Poetic Event

The Student Council Committee under office of Dean of the Students, IUST held a webinar on **26th of August 2020 at 2:00 PM** entitled with ‘**Let’s Speak Our Heart Out.**’ The webinar (poetic event) was held to give a space and platform to our emerging writers to share their work. There were more than **30 participants** in the webinar. All the participants’ shared poetry and write-ups with the fellow participants where “Learning gives Creativity, Creativity leads to thinking, Thinking provides knowledge, Knowledge makes us Good Human Beings” was admirable as the students had thrown light on different aspects of life to share up the real experience in real world.

Students were happy for such initiative and they have asked to conduct such events often. The participants also shared that because of the global pandemic, it is really hard to keep your moral up. These programs enlighten us and provide a space to share our feelings.

Dean of Students also encourages such programs and hopes to bring out the best in all its students and give them space and platform where they can share their thoughts with rest of the world.
