

**S.I.V.E.T. COLLEGE, GOWRIVAKKAM-600073**  
**DEPARTMENT OF PHYSICS**  
**Report on Gender Equity Program,2019-2020**

**Theme : Solar Cells and its applications**

**Event date : 29.02.2020**

**Venue : P.T.R. Auditorium**

**Students Participated: 150**

**Attendees : Students from Department of Physics,**

**Time : 10.30a.m to 12 p.m**

**Resource Person : Dr. S.KARTHIKEYAN**  
**ASST. PROFESSOR, Dr. AMBEDKAR COLLEGE,**  
**VYASARPADI**

**Faculty coordinator: Mr.A. THIRUNAVUKKARASU**

A Special lecture was organized by Department of Physics in the field of Energy Physics. Dr.Karthikeyan , Assistant Professor of Physics is a Alumni of our Department who has expertise in this field explained about Solar Cells and its fabrication. The applications of solar cell were discussed in detail. The session was more interactive and the students were actively participated.
