

## **Awareness and Relief Programme on COVID 19**

The NSS Unit of Shift II of Chellammal Women's College organized an awareness programme on COVID19 for students and the public and also distributed relief packages. 80 students from our college participated in the event and held charts and chanted slogans in order create awareness on protecting ourselves from the dangers of the Corona Virus. The images and videos from the event has been uploaded on social media platforms like Facebook and Youtube and till date we have had more than 1000 viewers and 100 shares.

In addition, on 25 May 2020 students and sweepers of Chellammal women's college received coronavirus relief packages. Total number of students received is 295 and 16 sweepers. The relief package carries an envelope with ₹ 1000 cash , 10 kgs rice and 10 kgs of vegetables each.
