PG & Research Department of English

Corona Awareness Programme

The final year students of under graduate of English department visited Udaiyandipatti village , near Annavasal, Pudukkottai, to carry out their extension activity. They met the President of the village to get permission to conduct awareness programme. The students created awareness on corona Virus among the school children and the people in Udaiyandipatti on 17.02.2020 and 18.02.20 respectively.

On the first day, 17.02.2020 Corona Awareness Programme was conducted in Panchayat Union Elementary School. The students gathered in school campus avail permission from the head master of the school. The programme was started with prayer song. Our students created awareness among the school children by demonstrating how to maintain hygiene and how to protect ourselves from the Corona Virus Infection.

Our student gave a demo of how to wash hands properly by showing them by doing step by step for 30 seconds, An Awareness speech was also given by a student on the Corona Virus, its origin, its symptoms, and its preventive measures. And finally, Tree saplings were planted by our students in the school campus to
