

(TANSICHE) sponsored International Conference on “Eco Technological Approaches for Sustainable Environment” (ICEASE – 2020) - Final report.

Tamil Nadu State Council of Higher Education (TANSICHE) sponsored One day International Conference on “Eco Technological Approaches for Sustainable Environment” (ICEASE – 2020) was organized on 6th of March, 2020 by the Department of Microbiology, Government Arts College for Women, Salem -08.

The first session of the conference was the key-note address given by Dr. Gerrit Impens, Director, Organic farming, Netherlands, where he gave an insight into the positive initiative taking to better the environment through eco-technologies. Other resource people for the conference were Dr. P. Ronald Ross (Associate Professor, Govt. Arts College, Ariyalur District) and Dr. P. Premasudha, (Assistant Professor, Dept. of Nano-technology, Bharathiar University). They spoke about the idea of Sustainability, its viability and the type of development that should take place in order to accommodate environmental sustainability in the 21st century. Thus, the students understood the different Eco- technological methods adopted for **“Creating a Sustainable Environment”**. The conference received 186 abstracts and a souvenir was released in the inaugural session of the conference. The conference saw an overwhelming participation of more than 250 participants.

Conference Organizing Committee Members, thank the Keynote speakers, Chair and Co-chairs on transcribing the plenary sessions in a diversified and variegated manner to make this conference an enviable artefact.
