

Name of the Activity: **National Conference on Emerging Trends in Material Science (NCETMS-2019)**

Date of the event: **26-09-2019 & 27-09-2019.**

Number of resource persons: 12

Number of the participant: 600

Conference Report

The two day National Level conference on “**National Conference on Emerging Trends in Material Science (NCETMS-2019)**” was jointly organized by the Departments of Physics and Chemistry, Government Arts College, Tiruvannamalai during 26-09-2019 & 27-09-2019. This conference was sponsored by Tamilnadu State Council for Higher Education (TNSCHE) in association with Indian Spectro Physics (ISPA), Indian Association for Radiological Protection, Kalpakkam Chapter (IARP) and Association of Chemistry Teachers (ACT). The conference was inaugurated by Thiru **K.S.Kandasamy**, I.A.S District Collector, Tiruvannamalai and who also released the proceedings and delivered the inaugural address. **Dr.R.Ravisankar**, Assistant professor of Physics and **Dr.A.Ravi**, Assistant professor of Chemistry are the conveners and **Dr.M.Balakrishnan** is the organizing Secretary of the conference. The oral and poster presentation was given by the participants. 600 participants across the state participated in this conference. Totally 207 research abstracts were received and a neatly bound volume was released in the form of proceeding in the conference. In the conference, 40 research papers were presented orally and 25 posters were presented by the participants. This conference brought out tremendous potentials of material science and its applications in various fields and provide to the scientific community to build a network with different people working in this area.
