

Youth Awareness Program report

The youth Red Cross society organized the one day Awareness program entitled the topic, “College Students towards Nutrition and Sanitation "on 27th February 2020 in our campus. Nearly 550 students participated in this program. Three resource persons gave the tips about health and sanitation

Our beloved principal Dr.M.Subramani,delivered the special addresses on Career opportunities for our young graduates . Dr.K.Shanthi, coordinator, YRC welcomed the gathering.
