The St. Anthony's College Tourism Club (SACTC) in collaboration with the Ek Bharat Shreshtha Bharat Unit of the college organised to hold a cultural photobooth on the Cultural Day celebration of the College. The main objectives of the event were to present a glimpse of diverse cultural sights, create cultural awareness and raise funds for the Tourism club.

A photobooth with cultural props was beautifully crafted by the students and was used as a background for the event. The event also was able to raise a good fund for the functioning of the club.
