

# **Sacred Heart College (Autonomous) Tirupattur**

## **Women's meet – 2019**

The Women's Meet 2019 was organised for the Undergraduate Women Students of Shift I on 7<sup>th</sup> of September at Kamarajar Arangam. The Programme started with a short prayer invoking God's blessings. Ms. Roshini of Computer Science department gave the welcome address. Our Rector, Rev. Dr.C. Antonyraj, presided over the meet and shared his inspiring and thought provoking message to the young women students of Sacred Heart College. Our Principal, Rev. Dr. D. Maria Antony Raj and our Vice Principal Rev. Dr. Praveen Peter also gave their full support for the women's meet and they encouraged and wished good fortune to all the Women Students.

Prof. R. Sandrilla introduced the Chief Guest, Rev. Dr. Sr. Arokia Jayaceeli, who is the Superior of Mary Immaculate Convent. She attracted our young girls with her enlightening and fabulous speech. She pointed on so many aspects such as women's safety, their role in the society, my body- my rights and she stressed that the entire women folk are being called for living a life of purity. She answered questions and doubts raised by the young girls and motivated them to come up in their lives and attain greater heights. It was happy and convincing to share the stage for Ms. Nazia of Chemistry department, one of our deserving Alumni of Sacred Heart College, a member of Royal Society of Chemistry and American Chemical Society. She too shared her own experiences and struggles with the young girls in order to augment their talents and passion. She emphasized the girls to be courageous and firm in their motives and not to get frustrated and let go off their perseverance. Finally, variety of cultural performances were performed by our UG Girl students. The Women's meet was coordinated by Dr. A. Merceline Anita, Dean of Women Students, Shift I with the support and cooperation rendered by all the Women Staff. The Programme came to an end with vote of thanks proposed by Ms. Neethi Arasi of Department of Physics.
