

Magazine release

The department of Physics, every year releases the bilingual magazine “QUANTA” from the academic year 2015-16. The physics department Association meeting is held on 31.01.2020. The resource person Dr. K. Suguna, Principal, NKR Govt. Arts College, Namakkal, Tamil Nadu, delivered a lecture on “Significance of Physics” and released the bilingual magazine “QUANTA”, which is the fifth edition for the department. The “QUANTA” includes current events, basic science, wonders in science, inventions, formation of universe and riddles. The “QUANTA” enhances the intelligence of readers. There 30 copies are printed and issued to students. Three copies are kept in the department library.
