

Stella Maris College (Autonomous), Chennai

An **Online Workshop on Using Digital Platforms: Google Classroom** was organised by IQAC and facilitated by SCEED on 29 & 30 April 2020 from 1.30pm to 3.30pm. Chaired by Dr. Sr. Rosy Joseph fmm, Principal and Convened by Dr. Lakshmi Priya Daniel, IQAC Coordinator. The workshop enabled an Introduction to available Digital Platforms & provided a basic exposure to some of the existing LMS tools. The specific use of Google Classroom and the Creating of Audio/Video Lectures especially to aid developing content both online and offline was the focus of this highly interactive workshop. The Workshop Facilitators who were drawn from various disciplines from within the Stella Maris College fraternity included Ms. Birunda Antoinette Mary J. Head, Department of Computer Science; Dr. Crystal David John and Ms. Swati Seshadri, Faculty from the Department of Economics and Dr. C. L. Shilaja, Department of English. The workshop had more than 200 registrations within a few hours of opening, mainly from colleges and universities in India but was limited to 138 participants for the facilitators to be able to reach out with hands-on sessions. IMPARTUS the private software company provided us with the free Online Platform and the support to run this workshop. The workshop was very well received as the facilitators were appreciated for their practice based approach.
