Webinar on

## Introduction to LaTeX

Organized By

## DEPARTMENT OF MATHEMATICS

### REPORT

Date: 02.06.2020

A Webinar titled Introduction to LaTeX was organized by the Department of Mathematics in association with IQAC of our College on 28/05/2020 from 4.00 PM to 6.00 PM (IST).

Almost 2100 participants registered for the Webinar and 1116 attendees were present virtually attending the programme online. The attendees included Principals, Administrators, Faculty and students from Government Colleges, Government Aided Colleges and Self Financing Colleges across India and all over the world.

The Webinar was hosted by Dr. Manjunathan, IQAC Coordinator and the introductory speech was given by Dr. M. Thirucheran, Head, Department of Mathematics. The resource person was Dr. Sarah Surya, Assistant Professor, Department of Mathematics, Stella Maris College, Chennai.

She gave a detailed account on how to download LaTeX and focused on how to use LaTeX for preparing a content document, particularly research papers for journals. She gave a brief introduction to the use of LaTeX for producing Mathematical symbols. Coding technique was narrated by her clearly and precisely. She made a remarkable presentation and her expertise in LaTeX was shared with the audience in an appreciable manner. The resource person also answered various questions raised by the participants. The Webinar ended with vote of thanks proposed by Dr. V. Annamma, Assistant Professor of Mathematics. The participants of the Webinar were given e-Certificates on time, immediately after the session.
