

STELLA MARIS COLLEGE (AUTONOMOUS), CHENNAI

DEPARTMENT OF CHEMISTRY

Title : PG Online Internship Programme on Stereochemistry
Participants : 23
Resource Person : Dr. Augustine Arul Prasad, Assistant Professor
Dwaraka Doss Goverdhan Doss Vaishnav College, Chennai
Date : 11/05/2020 to 23/05/2020 (11:00 a.m. – 1:00 p.m)

Brief Note :

The online internship programme was aimed at the I M.Sc. students of Chemistry at Stella Maris College. The resource person utilized a blended classroom model by posting recorded video lectures in Google classroom with assignments after each session. After 2 to 3 video lectures depending on the topic, a live online class was arranged where students sought to clarify their doubts and several problems pertaining to the topic was discussed which would be useful for competitive exams
