

STELLA MARIS COLLEGE (AUTONOMOUS), CHENNAI

DEPARTMENT OF CHEMISTRY

Title : Regional Webinar on Application of ICT in Chemistry for Undergraduates

Participants : 58

Resource Persons :

1. Dr. Avila Josephine
Assistant Professor, Department of Chemistry, Stella Maris College
2. Dr. Mary Teresita
Assistant Professor, Department of Chemistry, Stella Maris College
3. Dr. Revathy Rajagopal
Assistant Professor, Department of Chemistry, Stella Maris College
4. Dr. Sripriya Rajagopalan
Assistant Professor, Department of Chemistry, Stella Maris College

Date : 14/05/2020 (2:00 – 4:00 p.m.)

Brief Note :

This was organised by the Department and conducted by the department faculty. Numerical methods in Chemistry using ICT Data and using Excel spreadsheets to understand experiments in Physical Chemistry and using ACD/Chemsketch as a tool for chemical structure, reaction scheme, orbital drawing and IUPAC nomenclature were discussed exhaustively by the resource persons.
