WORKSHOP ON TALLY SOFTWARE IN +2 ACCOUNTANCY REVISED SYLLABUS FOR COMMERCE TEACHERS

A Workshop on Tally software, +2 Accountancy Revised syllabus for commerce pre-service and in-service teachers was organised on 20.8.2019. Mr. Avichi Krishnan, Chartered Accountant and Tally Software Promoter served as the resource person for the session. The Tamilnadu State Government has revised the syllabus of Higher Secondary School subjects in par with the syllabus of Central Board. In this process, a new topic Tally software has been added in the 12th standard Accountancy subject. Hence, the workshop for pre-service and in-service teachers was organised.

The resource person explained how to install and upgrade Tally software. The inbuilt primary groups and ledgers and how to create new ledgers and groups in tally were explained by the resource person. Hands-on training was given to all participants. Preparing Trial balance and summary of all accounts were demonstrated by the resource person.
