

PROGRAMME ON WOMEN EMPOWERMENT

The programme on “Women Empowerment “ was conducted for 325 students in the college on 10th September 2019. Ms.Rizwana, Executive in Rexona Deodorant Pvt. Ltd., was the resource person. For a better understanding of the topic, the speaker used Power Point presentations and a video which helped the students to understand the concept. The video which was projected had all the important messages to be conveyed.

The session was about the Do's and Dont's on attending an interview. The importance of a person's actions, reactions, confidence, time management etc during the interview was discussed. This kind of women's empowerment program keeps the students always moving forward in their career and in life .
