

23.05.2020 :Webinar on ' Our Solutions are in Nature'

A webinar was arranged on " Our Solutions are in Nature" in collaboration with EBSB Club and the Botany Department of the college on the 23rd May, 2020 from 2 p.m. to 3.30 p.m to observe International Day for Biodiversity. On this occasion Dr Sourabh Deb, Assistant Professor in Department of Forestry and Biodiversity of Tripura University delivered a lecture on the importance of the day by sharing his PPT presentation. 62 students and faculty members participated in this important webinar. The presentation was very informative and all the participants enjoyed the programme to their heart content.

Presentation by Dr Sourabh Deb
