Cycles of Violence: 22nd May 2020 - 85 participants

Resource Person: Prof. Philip Liard, Vice President, TWU, Canada

Cycles of Violence: Understanding Domestic violence and battered Woman Syndrome. Presented by Prof. Philip Laird, Vice President, TWU, Canada. He highlighted the issue of violence against women and their vulnerability during this lockdown period. Students appreciated the presentation and expressed that it was very informative and relevant as there is a rising number of instances of violence being reported after the lockdown announcement.
