

## **GUEST LECTURE ON ‘SOCIAL VALUES’**

Guest Lecture on ‘Social Values’ was organised on 31.1.2020. Dr.Kapila , Controller of Examination , Government college of Education, Saidapet, Chennai was the speaker. The first session insisted on Invaluable values and social skills. The speaker explained how man is behaving like a social animal and how values and social skills are an integral part for a person to learn and practice.

She went on to highlight the need of values in the life of everyone, especially the students. It was also explained to the students how the teacher could be the beacon of light in the life of students to teach them values and enhance their social skills. She concluded by telling the students the ever true adage “ think before you speak” as words have the power to create , hurt or destroy. She also added that learning from other people and ‘empathy’ are very important.
