

REPORT ON VIDEOPHOTOGRAPHY WORKSHOP

An intensive short term course on video photography was conducted by the DBICA a communication centre from 09.03.2020 to 17.03.2020. Father. Sahayaraj was the resource person. Eight teachers and two non-teaching staff participated in the course. This course dealt with:

- 1) Rules to take a photograph
- 2) Different kinds of photo shots,
- 3) Views of the photo shots,
- 4) Video shooting
- 5) Video editing with photos, videos, sounds, Transitions with the Adobe premiere pro editing software

On the final day 2 projects were done by the participants as a short film following the techniques taught during the workshop.
