Report Description -

The "National Level E-Quiz on Recent Trends and Technologies in IT" is an initiative taken to enrich our mind with knowledge amidst the Covid-19 outbreak.

Report

In this pandemic situation as part of lockdown, to tackle this period with productivity and make it a quality time, the Department of Computer Applications has organised a National Level E-Quiz on Recent Trends and Technology in IT, which was launched on 18th may 2020. The E-Quiz consisted of 25 questions, which was framed based on the recent and upcoming technologies in IT, keeping in mind the advancements in the field of Computer Applications. The Quiz served as a medium to brush up our knowledge and was made open for all categories including Students, Faculty members, Research Scholars and Industry Personals to participate and receive an e-certificate after securing a minimum mark of 60%.The total number of participants recorded were 895, out of which 66% were students and remaining were a mixture of Faculty members and Industry related personals.
