Date: 12th December 2019 & 13th December 2019

Time: 09:30 p.m – 4:00 p.m

Organizers: Dr. MGR Janaki arts and science college for women.

Number of Student participants: 50

Report :

On 12th and 13th December 2019 the PG students of biochemistry department attended a workshop on intellectual property rights which was conducted by Tamilnadu state council for science and technology patent information centre in collaboration with Dr.MGR Janaki college of arts and science in college campus. the motive of the program was to provide an overview on intellectual property rights and to comprehend patent design system in India and to guide researchers ,inventors in respect of patenting their inventions.

The 2nd day workshop was inaugurated by eminent personalities in field related to IPR. The first session started up by Dr. bhanumathi which was about significance of IPR protection. The second session was an interesting session by Dr. Kantha Babu which was an overview of intellectual property rights who later on after lunch taught us how to search the patents which are already approved all over the world. The day ended with a hands on-on training.

The second day was short and informative. The day began with the session on new dimensions of IPR for arts, science and technology legal aspects by Dr. Sunil Gladson. The next session was a lengthy detailed one about the patent application and non patentable inventions by Ms. Gomathi Padma Thiloge (patent consultant).

The last session was carried by Dr. Deepa (patent agent) was about tools for searching patents and its information and patent prosecution. The event was a great success and the day ended with the valedictory function where certificates were distributed.

Outcomes of the event:

- Deeper understanding of patents, patents prosecution.
- Information, knowledge and learning about IPR
- Looking to the Future.
