GOVERNMENT ARTS COLLEGE (GRADE- I), ARIYALUR

PG & RESEARCH DEPARTMENT OF COMPUTER SCIENCE

ACADEMIC ACTIVITIES 2019 – 2020

Computers have become an integral part of human existence for several decades. They have cut across time and space enhancing the speed of data communication and information dissemination and also have infinite applications in various fields like Science, technology, commerce, business and entertainment. Study of Computer Science would improve the opportunities of the students in the job market substantially. In tune with these thoughts, the Department of Computer Science was started in the year 1998 with an intake of 30 students. The department progressed considerably and witnessed a growth in terms of courses, student strength, faculty and infrastructure. Different courses introduced over the years in B.Sc stream as follows: M.Sc Computer Science in 2003, M.Phil in 2012 and Ph.D in 2012. Currently, it has 12 faculty members, two Assistant programmers and over 320 students working towards their Bachelor's, Master's and Doctoral degrees. The department has well furnished computer laboratory with 50 systems. The department has excellent library facilities in which more than 1500 volumes of Books.

The Association of Department of Computer Science organized several programmes with the able leadership of our Principal, Head of the Department and Faculty Members along with the Student Secretaries.

We began the activities of Computer Science Association for the academic year 2019 – 2020 with the inauguration on 27.06.2019 in the AV Hall. Dr. A. Marimuthu, Assistant Professor, Department of Computer Science, Government Arts College, Coimbatore was the Chief Guest, he delivered the inaugural talk on *Cloud Computing*. Dr.P.Jeyakumar, Principal incharge presided

over the function.

Dr.V.Vijayalakshmi, Head, welcome the gathering and Dr.M.Prabakaran, Assistant Professor proposed the vote of thanks.

The Department conducted the Parent Teachers meet for the P.G Students on and U.G Students. Maximum number of parents attended the meeting. All the faculty members of the department were present for the meeting. The mentors of the department met the parents individually and discussed the academic performances of the students.

The department also celebrated Ayudha Pooja with traditional tinge. On the special day, the laboratories and department were beautified with glazing papers. The ritual was graced with presence of HOD, Faculty Members and Students. The Staff and Students of Computer Science Department came together to seek the blessings of the goddess of knowledge to have a successful career and academic growth.

The staff and students celebrated Pongal on 13th January 2020 in its traditional manner to make the students understand the cultural heritage. The Principal, HOD and Faculty members joined the celebrations along with our students who has made arrangements to cook a delicious pongal dish in the

traditional way. The chanting of Pongalo Pongal! was exciting for the students. Finally sweet pongal was distributed to all the Faculty Members and Students.

Ten students from I, II and III B.Sc(CS) actively participated in various competitions of Roever Tech 2K20 held at Thanthai Hans Roever College, Perambalur on 13th February 2020. Our Students lay down a fabulous performance in the various events of Tech Fest '20 conducted by the Meenakshi Ramasamy Arts and Science College, Ariyalur on 26th February 2020. We are indeed proud to secure prizes for Singing, Debugging, Mime and Web Designing. Student from III B.Sc (CS) won Star of the Event Prize.

Under the guidance of Dr.M.Prabakaran, seven Scholars completed their Ph.D Viva-Voce Examination.

Dr.M.Prabakaran, Assistant Professor has attended one day

NAAC Revised Accreditation Framework conducted by UGC-PARAMARSH at Cauvery College for Women (A) from 17.02.2020 to 18.02.2020.

The Valedictory function of the Association activities for the academic year 2019- 2020 was held on 6th March 2020. Mr.C.Ananth, Assistant Professor of Computer Science, Annamalai

University was the Chief Guest of the day. He delivered a special lecture on *Cryptocurrency and its applications in Blockchain Technology.* Dr.J.Malarvizhi,

Principal presided over the function. Dr.V.Vijayalakshmi, Head, welcome the gathering and Ms. Gayathri I M.Sc(CS) proposed the vote of thanks. Finally our Principal distributed the prizes to the winners of Intercollegiate Technical Symposium and Class Toppers.
