

NCIF

National College Instrumentation Facility arranged for a special Lecture on 02.08.2019 in Meeting Hall-I. 125 PG students of Chemistry of our college and nearby colleges participated in this lecture. Dr. N.Jothi Lakshmi gave a very inspiring talk on the topic "Steps to Set Chemistry (Journey to Competitive Exams NET/GATE Destiny)". She gave the participants useful ideas about how to win the competitive exams in the field of chemistry. She also discussed the CSIR question patterns and presented a detailed overview of the GATE exams. She explained the broad scope of opportunities in the IITs, IISc and CSIR labs for research. During her talk she discussed with students how to prepare topic wise and the area they should concentrate more. The students were very interactive throughout the session. She cleared all the doubts raised by the students.
