

Knowledge Enrichment Programme

Department of Commerce

Ms. Devasoorya, Pharmacist, ADA College, Trichy was the Chief guest of the fourth Knowledge Enrichment Program held by the Commerce Association on 09.07.2109. The speaker created a sense of awareness among the students about Menstrual Hygiene for girls. She insisted that women should be aware of their personal hygiene and explained about the various types of absorbent used in menstrual pads. She explained the strategies to be followed for the management of menstrual waste.
