Event Description: Online COVID-19 Awareness Quiz

Activity date : 28-29.04.2020

As we know, Coronavirus disease (COVID-19) is an infectious disease caused by coronavirus. The WHO has declared it a pandemic. The virus has been named SARS-CoV-2 and the disease is now called COVID-19. The disease has impacted the economy of the world as large and has caused a global health crisis. As a part of the nationwide lockdown, all educational institutions have been closed. The college communities are now involved in organising webinars and quizzes for faculty and students to fulfil their needs and create awareness. As a part of this, an online awareness quiz on COVID-19 was organised by Institute for Excellence in Higher education, Bhopal on 28-29.04.2020. A total of 265 students have participated in the quiz. Through this, an awareness campaign among students on COVID-19 has initiated.
