

## **Cancer Awareness Programme**

Harshamitra Super Speciality Cancer Centre, Tiruchirappalli, in association with the National College Core Group and the Youth Red Cross Unit organised a cancer awareness programme for our college students on the 3rd October, 2019. Dr. Govindaraju, Chief Doctor of Harshamitra Hospital, was the resource person. In this informative programme, the students were given a complete picture of cancer causing agents and prevention with refinement in lifestyle.
