

# Action Taken Report

## Online Poster Making activity on Environment

The Ek Bharat Shreshtha Bharat Cell of Mehr Chand Mahajan DAV College for Women organised a Poster Making activity to mark World Environment Day. Enthusiastic participants from various streams showcased their artistic acumen as they made eye-catching posters to generate awareness about the need to preserve an ecological balance on the planet. A wide range of environmental issues, including climate change and the consequent global warming, our fast-disappearing distinct flora and fauna and soil erosion due to deforestation, were raised by creative young Earth Warriors through a rich palette of colours. Cry of the mother earth as it is choked due to plastic waste and industrial emissions was also highlighted.

Principal Dr Nisha Bhargava applauded the creative endeavours of the participants and said that the rich spectrum of students' creativity as a message, loud and clear, reflected that preserving our environment is the only way we can ensure our survival on earth.
