

BRIEF REPORT ON SEMINAR CUM AWARENESS PROGRAMME ORAGANSIED BY EBSB CLUB ALONG WITH SCIENCE FORUM ON SCIENCE DAY ON 28/02/202

The programme was held on 28/02/2020 at 11 AM in the Seminar Hall of the college to mark the celebration of science day. The program was organised by EBSB club along with science forum of NS Mahavidyalaya, Uadipur. The aim of the program was to create awareness amongst budding students regarding recent developments in the area scientific research. Students were asked to participate in extempore speech and quiz competitions on relevant current scientific developments.

About 150 students, faculty members had taken part in the said awareness programme. The HODs of physical science department, who were participated as resource persons, delivered speeches about the importance of this day. The programme continued till 3.30 PM.

(Student delivering speech on the importance of science day)

(Welcome address given by Dr. Dipannita Chakraborty, Principal of NS Mahavidyalaya, Udaipur)
