

**PG AND RESEARCH DEPARTMENT OF BOTANY
HOLY CROSS COLLEGE (AUTONOMOUS), TRICHY-2
WEBINAR DETAILS**

REPORT:

A One-day Webinar on “Protecting Research Inventions through Intellectual Property Rights” was organized by the PG and Research Department of Botany, Holy Cross College, Trichy on 17th June 2020.

The overall goal of the webinar is to inculcate and improve the knowledge on IPR among the staff, research scholars and students of Life sciences. The objectives of this Webinar are: To highlight the importance of IPR and to explore the role of different forms of IPR on protecting research inventions.

The webinar was started on 17th June 2020 at 11.00am with a prayer service. Dr. P. Shanthi, Organizing Secretary, Assistant Professor and Head, PG and Research Department of Botany, Holy Cross College (Autonomous), Trichy gave an introductory address. Prof. T. Parimelazhagan, Department of Botany, Director, IPR Cell, Bharathiar University, Coimbatore was the Resource Person. He clarifies the differences between innovations and inventions. He shared the importance of IPR very noticeably. He clearly describe the different forms of IPR like-patent, copyright, trade mark and explain the various criteria for trademark registration. He explained the geographical indications, biopiracy, plant variety and farmers right with recent inventions and innovations. He insisted the importance of patents and its exclusive rights to protect our inventions. The session came to an end at 12.15 pm with vote of thanks.

About 100 participants from our college and from various institutions participated in the webinar. Most of the participants clarified their doubts at the end of the session and they actively posted their queries in the chat box. Most of the participants satisfied with the effectiveness of the presentations and appreciated the organizing team via chat box. Based on the feedback from the participants, the webinar was informative to gain the knowledge and awareness on IPR and its role to protect our ideas and research findings.
