Report Description

The Department of B.Com. (Information System Management), School of Information Technology conducted an online lecture on Man's Journey towards last rituals to Earth. The online lecture was delivered by Dr. M. G. Ragunathan, Principal, Guru Nanak College (Autonomous). The theory of evolution of humankind, various factors that affect the environment, past and present conditions of endangered animals, the past and present conditions of landscapes in the world and how the science and technology inventions has affected the environment was clearly explained. The session was an eye-opener for all us to take care of nature and hand over it safely to our future generation. 180 Faculties from GNC and other colleges participated.
