Report Description - To test the students' knowledge on Plant Biology

Report on E- Course:

The Covid-19 Pandemic forced Colleges across the world as well as in India suspended on-campus teaching and learning and shift to online classes.

Online learning is an ideal method as it enforces social distancing and physical distancing to resist the spread of the epidemic. Guru Nanak college management and Principal encourages all the Department to conduct, webinars, and quiz. This leadership made “The Plant Biology and Plant Biotechnology” department to organize E- course on:

1. Soil less agriculture
2. Mushroom Cultivation
3. Beneficial Microbes
4. Botany the subject for all

So far, **2150** participants has enrolled in the course from 07 States. 545 participants earned a certificate of completion in Mushroom cultivation e- Course, 655 Completed their course in Soil less agriculture, 553 in Beneficial microbes and 397 in Botany the subject for all earned a certificate of competence.
