Report Description

The PG and Research Department of Advanced Zoology and Biotechnology organized an Awareness Quiz on “World Blood Donor Day” on 14th June, 2020 by Dr. J. Jayanthi, Associate Professor & Head, through Google form for all the Students, Research Scholars and Faculty members.

Report

Every year 14th of June is celebrated as “World Blood Donor Day”, In line with it we from the PG & Research Department of Advanced Zoology & Biotechnology, Guru Nanak College wanted to create awareness and hence during this lockdown, we conducted an online quiz. We had many participants who attended with full enthusiasm. The event serves to thank voluntary, unpaid blood donors for their life-saving gift of blood and also to raise awareness of the need for regular blood donations to ensure that all the individuals and communities have access to affordable and timely supplies of safe and quality assured blood and blood products, as an integral part of universal health coverage and a key component of effective health systems. Give blood and make the world a healthier place.
