

A hands on training programme for Electors Verification was conducted on 27.09.2019 by Thiru.V.Baskaran, Assistant Commissioner (Election), Hasthampatti Zone, Salem Corporation. About 160 students attended the programme with smart phones, Aadhar card, ration card and voters ID. He explained the procedure for checking the details of voters and a voter from each family will get a username and password, allowing a person to upload all documents related to electoral registration. Then the details will be verified by Block level officers (BLOs). He further insisted that the idea is to empower voters to assess electoral roll details, self –authenticate and then get mistakes rectified, if any. The programme came to an end with the college song.
