

STELLA MARIS COLLEGE (AUTONOMOUS), CHENNAI

Department of B. Voc. Sustainable Energy Management

Title (of online activity /program): National Quiz on “Energy Impacts on Environment” in commemoration of the World Environment Day 2020

Participants (number): 1162

Resource Person/s: Faculty, Department of B.Voc Sustainable Energy Management

Date/s and Time: 4th June 2020 | 10:30 am to 12 noon

Brief Note:

To commemorate the World Environment Day 2020 and also demonstrate solidarity in the concept of Green Energy and a clean Environment, the department has organised a National Quiz open to students, Faculty, Research Scholars and the members of the public. The break-up of registrants is Students - 863, Faculty - 233, Research Scholars- 40 and members of the Public - 26). The quiz focused on the sustainable options one has to adopt to protect the environment. The questions were thought provoking and also created awareness of the current practices that lead to the ruin of the environment. They touched upon the various sustainable alternatives to generating Green Energy. The feedback was very gratifying with all of them stating that the quiz was very enjoyable, informative, useful and thought provoking. The participants hoped that these initiatives will bring positive changes at the grass-root level for a greener and cleaner tomorrow!
