Date/s and Time: 9th June 2020 | 11:00 am to 12 noon

Brief Note (including feedback): The webinar showcased the salient feature of Stella Maris College Library and the Archives. It also covered the ICT initiatives of MHRD. Best practices of SMC Library was also presented. It was an opportunity to spread knowledge about preservation methods of archives. Thus encouraged everyone to participate in preserving our heritage personally and collectively and also using the resources effectively and efficiently. The webinar was very well appreciated.
