

GANDHI JEYANTHI MEDICAL CAMP ON 02/10/2019

As per the direction of Mahatma Gandhi National Council of Rural Education (MGNCRE), MHRD, Mahatma Gandhiji's 150th Birth Anniversary, the Nai Talim Education Week was observed by the Centre for Gandhian Studies at Senthilampannai (our adopted under privileged village). A medical camp was organised on October 2, 2019. Dr.C.Selvakumar, the Government Medical Officer (Siddha) at Vallanadu conducted the camp. The under privileged population of the village was given medical aid for different ailments. Notably, lessons on herbal treatment were taught to them. They were also educated how to identify and cultivate different crops of herbs in their rural areas.
