

FIELD VISIT TO PEIKULAM – 06/10/2019

On October 06, 2019 our student volunteers of Centre for Gandhian Studies visited the 100 years old St.Luke's Leprosarium, Peikulam a rural centre for nursing the sufferers of Leprosy. The major idea of visit was to reaffirm the sense of human concern and sympathy for the under privileged ailing lepers in and around Thoothukudi and Tirunelveli Districts.
