

TRAFFIC REGULATION AT KULASEKARAPATTINAM-08/10/2019 & 09/10/2019

On October 08, 2019 volunteers of Centre for Gandhian Studies went to Kulasekarapattinam, Tiruchendur Taluk during the festive activities of Dasara. In this place Dasara celebrations are celebrated as the Dasara of Mysorean variety. Student volunteers regulated the flow of traffic by assisting the other law enforcing agencies like police. It was a part of useful live education for the volunteers to learn how the crowds at places of festivals should be regulated in conducting themselves, inviting no common trouble or stampede.
